An unseren beiden deutschen Standorten in Neustadt und Sonneberg produzieren wir 100% klimaneutral. Einen beträchtigen Anteil unseres Stromverbrauches decken wir mit eigenen Photovoltaik-Anlagen und sparen so jährlich 380 Tonnen CO₂ ein.

At our two German sites in Neustadt and Sonneberg, we produce 100% climate-neutral. We cover a considerable share of our electricity consumption with our own photovoltaic systems and save 380 tonnes of CO₂ per year.

Als erster Geschenkpapierhersteller konnten wir 2024 unsere Produkte mit dem EU Ecolabel zertifizieren.

Das EU Ecolabel ist ein Umweltzeichen, das seit 1992 von der Europäischen Kommission vergeben wird und Produkte sowie Dienstleistungen mit geringeren Umweltauswirkungen im Vergleich zu ähnlichen Angeboten kennzeichnet.

We were the first wrapping paper manufacturer to have our products certified with the EU Ecolabel in 2024.

The EU Ecolabel is an environmental label that has been awarded by the European Commission since 1992 and identifies products and services with a lower environmental impact compared to similar products.

Die Herstellung unserer Blauen Engel Papiere spart circa 70% Wasser und 60% Energie gegenüber Frischfaserpapieren. Der Blaue Engel garantiert zudem, dass dem Papier bei der Herstellung keine schädlichen Chemikalien oder optischen Aufheller zugesetzt werden.

The Blue Angel label paper saves about 70% water and 60% energy compared to virgin fiber paper. The Blue Angel also guarantees that no harmful chemicals or optical brighteners are added to the paper during production.

Unsere zertifizierten Geschenkpapiere und Geschenktaschen sind durch das unabhängige Zertifizierungssystem des FSC® für holz- und papierbasierende Produkte nachweislich aus ökologisch, ökonomisch und sozial nachhaltiger Forstwirtschaft.

Certified by the independent FSC® certification system for wood- and paper-based products, our certified gift-wrapping papers and gift bags are verifiably from ecologically, economically, and socially sustainable forestry.

Zur Sicherstellung einer kontinuierlichen Verbesserung der nachhaltigen Waldbewirtschaftung, handeln wir in der Produktion nach den Regeln zur Produktketten-Zertifizierung (Chain-of-Custody).

Ensuring continuous improvement of sustainable forest management, we act following the rules for product chain certification (Chain-of-Custody) in production.

Unser Qualitätsmanagementsystem ist DIN ISO 9001 zertifiziert, weil höchste Qualität in allen Bereichen unser Standard ist. Das schafft Transparenz und ein stetiges Optimieren der internen Prozesse und Abläufe.

We have DIN ISO 9001 certification for our quality management system because the highest quality is our standard in all areas. This provides transparency and continuous optimization of internal processes and procedures.

Die Vorteile einer globalisierten Welt gehen nicht selten auf Kosten der Nachhaltigkeit, der Sozialstandards und der Transparenz. Ein schonender Ressourceneinsatz ist unser Ziel.

The benefits of a globalized world often come at the expense of sustainability, social standards, and transparency. Careful use of resources is our goal.

Der Erfolg von pure green zeigt uns, dass wir gemeinsam auf dem richtigen Weg sind. Unsere Rohpapiere erfüllen alle Erwartungen an ein konsequent nachhaltiges Sortiment - ohne Kompromisse.

Our success with pure green shows us that together we are on the right track. Without compromise, our base papers meet all the expectations of a consistently sustainable product range.

SILPHIE PAPIER | SILPHIE PAPER

Papier aus Silphie-Fasern hat eine einzigartige und natürliche Textur. Die Pflanze ist robust und wächst schnell nach. Der Anbau erfolgt auf landwirtschaftlich weniger ergiebigen Böden. Kurze Transportwege reduzieren den ökologischen Fußabdruck erheblich.

Paper made from Silphie fibres has a unique and natural texture. The plant is robust and grows back quickly. It is grown on agriculturally less productive soils. Short transport routes significantly reduce the ecological footprint.

GRASPAPIER | GRASS PAPER

Graspapier besteht zu mindestens 30% aus Gras der heimischen Ausgleichsflächen. Gras wächst sehr schnell und kann mehrmals im Jahr geerntet werden. Kurze Transportwege minimieren den ökologischen Fußabdruck.

Grass paper consists of at least 30% grass from local compensation areas. Grass grows very quickly and can be harvested several times a year. Short transport routes minimise the ecological footprint.

RECYCLING PAPIER | RECYCLED PAPER

Unsere Recyclingpapiere vereinen Stil und Umweltbewusstsein. Sie sind zu 100% aus Altpapier hergestellt und tragen alle den **BLAUEN ENGEL**. Der **BLAUE ENGEL** ist das weltweit erste Umweltzeichen der Bundesregierung und kennzeichnet Produkte, die die höchsten Umweltstandards erfüllen.

Our recycled papers combine style and environmental awareness. They are made from 100% recycled paper and all bear the **BLUE ANGEL**. The **BLUE ANGEL** is the world's first eco-label from the German government and identifies products that fulfil the highest environmental standards.

GREEN NATURE

Klare Designs auf Papier mit Naturfasern schaffen eine Symbiose zwischen Schenken und Nachhaltigkeit.

Elegant designs on natural fiber paper unite the art of giving with a deep respect for nature.
